Purpose

Mennonite Nurses Association is dedicated to the promotion of nursing and the provision of support to Christian nurses within the Anabaptist tradition.

Objectives

1. Promote interaction and networking among Anabaptist nurses.
2. Explore application of Anabaptist principles to nursing.
3. Consider current issues and their implications for faith and justice.
4. Promote nursing practice that reflects Anabaptist values and beliefs.
5. Take a proactive role in the church community regarding health issues.
6. Support projects related to health care.

Membership Structure

Association members shall be nurses who embrace the objectives of Mennonite Nurses Association.

Nurses who are 65 or older qualify for senior citizen annual membership dues.

Nurses who are serving as full-time volunteers or mission workers with Mennonite mission or service agencies qualify as complimentary members.

Student nurses may receive complimentary membership and are eligible to become full members upon nursing licensure.

All members are eligible to vote.

Officers shall hold a current nursing license.

Relationship to other Mennonite organizations

- MNA and Mennonite Medical Association (MMA) hold their annual summer conference together.
- MNA and MMA, along with Mennonite Chaplains Association and Canadian Mennonite Health Assembly, contribute to *Mennonite Health Journal* and work together on health and related issues.
- MNA, MMA, MCA and others meet at the annual Mennonite Health Assembly (MHA). MNA participates in the planning and is responsible for a Nursing session.

Benefits and Resources For MNA Members

- Networking with other Christian nurses
- Mennonite Health Journal
- Annual summer conference for inspiration, learning, business (Includes Family Activities)
- Nursing sessions at Mennonite Health Assembly
